Citizens for Animal Rescue & Emergencies

"Helping Animals with People Problems and Helping People with Animal Problems."

CARE hopes this season finds you and your family well and enjoying the holidays. Thanks to you, our donors, it was a great year for CARE and we were so fortunate to help hundreds and hundreds of animals live better lives. Unfortunately, as 2025 comes to a close CARE will need to suspend operations. In September I was diagnosed with a very serious illness for which I am currently recovering. Even though CARE has several volunteers filling in gaps and helping animals, the work load is overwhelming. In order for me to run this organization at its continued best, I must be at 100% and it will be several months before that can happen.

With that said, membership has decided that CARE operations be TEMPORARILY suspended effective midnight, Tuesday, December 23, 2025. Let me be very clear, CARE will start up in the spring doing what we were meant to do.....help animals. We are not finished helping animals achieve the lives they deserve.

Currently, CARE is committed to the annual bone sale fundraiser during the month of December at the local Magoo's stores in Flint and Burton. CARE will continue its fundraising efforts behind the scenes ensuring we stay on track for a great reopening in the Spring.

Just to reiterate, CARE is committed to resuming operations.....too many animals need our/your support.
